Summary

Procurement and Sourcing Specialist with over six years of experience optimizing the full vendor lifecycle across diverse industries. Proven expertise in transitioning sourcing strategies from local to international markets to drive cost reductions, alongside extensive experience in inventory management and demand forecasting. Currently focused on SaaS contract negotiations and spend analysis, leveraging Oracle NetSuite and Power BI to streamline internal workflows and ensure strict budget compliance.

Experience

PURCHASING SPECIALIST | [TIPALTI INC](#) | JULY 2025 – PRESENT

Manage the end-to-end SaaS renewal process for 43+ vendors, utilizing Oracle NetSuite and Monday.com for purchase order management and procurement analytics. Successfully negotiated commercial terms to secure \$119,447 in direct savings and \$215,930 in cost avoidance within the first 180 days.

SUPPLY CHAIN PLANNING SPECIALIST | [TRIPLE A INTERNETSHOPS GMBH](#) | NOVEMBER 2023 – JULY 2025

- Forecasted weekly product demand of ~€150,000 for the e-commerce platform by analyzing sales data, market trends, and inventory turnover. Established optimal inventory targets based on customer purchasing patterns to minimize stockouts and eliminate overstocking.

PROCUREMENT MANAGER | [MEAMA LLC](#) | DECEMBER 2022 – JUNE 2023

Managed end-to-end procurement and logistics operations, coordinating with internal teams to ensure timely stock replenishment. Concurrently led a strategic vendor transition that resolved critical supply inconsistencies, achieving a 10% cost reduction while stabilizing inventory levels

PROCUREMENT MANAGER | [TBC PAY LLC](#) | OCTOBER 2021 – DECEMBER 2022

Executed comprehensive market analysis to identify and qualify reliable suppliers based on specific project requirements. Directly negotiated contracts, terms, and delivery schedules with international vendors, while conducting in-depth product and service analysis to uncover cost savings and efficiency improvements

PROCUREMENT SPECIALIST | [ARCHI LLC](#) | JUNE 2020 – OCTOBER 2021

Sourced vendors to meet defined cost, quality, and delivery objectives. Maintained supplier relationships by monitoring performance compliance and contract terms, and prepared detailed procurement reports on a monthly and annual basis

PROCUREMENT SPECIALIST | [BMC GORGIA LLC](#) | SEPTEMBER 2019 – JUNE 2020

Conducted research and evaluation of prospective suppliers to assess their suitability. Managed inventory levels to support operations, and prepared detailed reports to track expenditures and document cost savings.

Education

BACHELOR OF BUSINESS ADMINISTRATION (FINANCE) | CAUCASUS UNIVERSITY(CSB)

September 2017 – July 2021
